

Two Weeks on the Life and Teachings of Jesus

Read these assignments carefully. In the next two weeks, you are going to spend time examining the greatest life that was ever lived – the life of Jesus. You will also be looking at some of His works and His teaching. Take out a pencil and jot down some notes on each day. Write down your observations regarding what Jesus did, said, taught, and where you are challenged. The whole goal of the Christian life is to become more like Christ. With this in mind, be encouraged that if you take this study seriously, you are going to have more joy and peace in your life from spending time with Lord through His Word.
